

PROTOCOLS for the DYNASTY Mixed Doubles Championship

This event is not being operated in a bubble but your diligence in reducing your potential for exposure will be appreciated by all involved in making this competition happen.

1. Prior to the competition practice social distancing, use of masks and handwashing.
2. Please be diligent and minimize your exposure by limiting the number of places you go and people you see. Avoid close contact with other athletes.
3. If you feel sick, stay home and get tested.
4. Mandatory proof of vaccination and photo ID is required upon entry to the facility. Competitors and coaches will be provided with a lanyard showing they have met the vaccination requirement. Please wear the lanyards upon entry to the facility.
5. Please come dressed to the venue.
6. All coaches must wear masks in the field of play.
7. All competitors must wear masks in all areas that are not the field of play.
8. If you are not able to compete the draw will not be redone and all affected games will be a default.

It is impossible to review each scenario in a document of this nature and all cases will be reviewed on-site before a final decision is made.
